2020 School FIRST Rating**

How Ratings are Assessed

Rating Worksheet

Preliminary ratings are released by Texas Education Agency every calendar year during the summer. The Commissioner's Rules for School FIRST are contained in Title 19, Texas Administrative Code, Chapter 109, Subchapter AA, Commissioner's Rules Concerning Financial Accountability Rating System.

The School FIRST Communications Kit was updated in September 2018 to include changes in the Commissioner's Rule for School FIRST that were finalized in August 2018. The most substantive changes in August 2018 will be implemented by the Texas Education Agency beginning with ratings year 2020-2021 based primarily on data from fiscal year 2020.

During the phase-in period, the new School FIRST system has separate worksheets for rating years 2017-2018, 2018-2019, and 2019-2020 as compared to subsequent years.

The questions a school district must address in completing the worksheet used to assess its financial management system can be confusing to non-accountants. The following is a layman's explanation of what the questions mean—and what your district's answers can mean to its rating.

1. Was the complete annual financial report (AFR) and data submitted to the TEA within 30 days of the November 27 or January 28 deadline depending on the school district's fiscal year end date of June 30 or August 31, respectively?

A simple indicator. Was your Annual Financial Report filed by the deadline?

2. Review the AFR for an unmodified opinion and material weaknesses. The school district must pass 2.A to pass this indicator. The school district fails indicator number 2 if it responds "No" to indicator 2.A. or to both indicators 2.A and 2.B.

2.A. Was there an unmodified opinion in the AFR on the financial statements as a whole? (The American Institute of Certified Public Accountants (AICPA) defines unmodified opinion. The external independent auditor determines if there was an unmodified opinion.)?

A "modified" version of the auditor's opinion in your annual audit report means that you need to correct some of your reporting or financial controls. A district's goal, therefore, is to receive an "unmodified opinion" on its Annual Financial Report. 2.A. is a simple "Yes" or "No" indicator (see instructions under "2." for evaluating performance under "2.A" and "2.B." to arrive at the score for "2.").

2.B. Did the external independent auditor report that the AFR was free of any instance(s) of material weaknesses in internal controls over financial reporting and compliance for local, state, or federal funds? (The AICPA defines material weakness.)

A clean audit of your Annual Financial

How Ratings are Assessed

Report would state that your district has no material weaknesses in internal controls. Any internal weaknesses create a risk of your District not being able to properly account for its use of public funds, and should be immediately addressed. 2.B. is a simple “Yes” or “No” indicator (see instructions under “2.” for evaluating performance under “2.A” and “2.B” to arrive at the score for “2.”).

3. Was the school district in compliance with the payment terms of all debt agreements at fiscal year end? (If the school district was in default in a prior fiscal year, an exemption applies in following years if the school district is current on its forbearance or payment plan with the lender and the payments are made on schedule for the fiscal year being rated. Also exempted are technical defaults that are not related to monetary defaults. A technical default is a failure to uphold the terms of a debt covenant, contract, or master promissory note even though payments to the lender, trust, or sinking fund are current. A debt agreement is a legal agreement between a debtor (= person, company, etc. that owes money) and their creditors, which includes a plan for paying back the debt.)

This indicator seeks to make certain that your district has timely paid all bills/obligations, including financing arrangements to pay for school construction, school buses, photocopiers, etc.

4. Did the school district make timely payments to the Teachers Retirement System (TRS), Texas Workforce Commission (TWC), Internal Revenue Service (IRS), and other government agencies?

This indicator seeks to make sure the district fulfilled its obligation to the TRS, TWC and IRS to transfer payroll withholdings and to fulfill any additional payroll-related obligations required to be paid by the district.

5. Was the total unrestricted Net Position balance (Net of the accretion of interest for capital appreciation bonds) in the governmental activities column in the Statement of Net Positions greater than zero? (If the school district's change of students in membership over 5 years was 7 percent or more, then the school district passes this indicator.)

This indicator is not being scored this year due to the impact of accounting changes implemented by the Governmental Accounting Standards Board.

This indicator simply asks, “Did the district’s total assets exceed the total amount of liabilities (according to the very first financial statement in the annual audit report)?” Fortunately, this indicator recognizes that high-growth districts incur large amounts of debt to fund construction, and that total debt may exceed the total amount of assets under certain scenarios.

6. Was the number of days of cash on hand and current investments in the

How Ratings are Assessed

general fund for the school district sufficient to cover operating expenditures (excluding facilities acquisition and construction)?

This indicator measures how long in days after the end of the fiscal the school district could have disbursed funds for its operating expenditures without receiving any new revenues. Did you meet or exceed the target amount in School FIRST?

7. Was the measure of current assets to current liabilities ratio for the school district sufficient to cover short-term debt?

This indicator measures whether the school district had sufficient short-term assets at the end of the fiscal year to pay off its short-term liabilities. Did you meet or exceed the target amount in School FIRST?

8. Was the ratio of long-term liabilities to total assets for the school district sufficient to support long-term solvency? (If the school district's change of students in membership over 5 years was 7 percent or more, then the school district passes this indicator.)

This question is like asking someone if their mortgage exceeds the market value of their home. Were you below the cap for this ratio in School FIRST? Fortunately, this indicator recognizes that high-growth districts incur additional operating costs to open new instructional campuses.

9. Did the school district's general fund revenues equal or exceed expenditures (excluding facilities acquisition and construction)? If not,

was the school district's number of days of cash on hand greater than or equal to 60 days?

This indicator simply asks, "Did you spend more than you earned?" (the school district will automatically pass this indicator, if the school district had at least 60 days cash on hand.)

10. Was the debt service coverage ratio sufficient to meet the required debt service?

This indicator asks about the school district's ability to make debt principal and interest payments that will become due during the year. Did you meet or exceed the target amount in School FIRST?

11. Was the school district's administrative cost ratio equal to or less than the threshold ratio?

This indicator measures the percentage of their budget that Texas school districts spent on administration. Did you exceed the cap in School FIRST for districts of your size?

12. Did the school district not have a 15 percent decline in the students to staff ratio over 3 years (total enrollment to total staff)? (If the student enrollment did not decrease, the school district will automatically pass this indicator.)

If the school district had a decline in students over 3 school years, this indicator asks if the school district decreased the number of the staff on the payroll in proportion to the decline in students. (The school district automatically passes this indicator if

there was no decline in students.)

School Program state aid.

13. Did the comparison of Public Education Information Management System (PEIMS) data to like information in the school district's AFR result in a total variance of less than 3 percent of all expenditures by function?

This indicator measures the quality of data reported to PEIMS and in your Annual Financial Report to make certain that the data reported in each case "matches up." If the difference in numbers reported in any fund type is 3 percent or more, your district "fails" this measure.

14. Did the external independent auditor indicate the AFR was free of any instance(s) of material noncompliance for grants, contracts, and laws related to local, state, or federal funds? (The AICPA defines material noncompliance.)

A clean audit of your Annual Financial Report would state that your district has no material weaknesses in internal controls. Any internal weaknesses create a risk of your District not being able to properly account for its use of public funds and should be immediately addressed.

15. Did the school district not receive an adjusted repayment schedule for more than one fiscal year for an overallocation of Foundation School Program (FSP) funds as a result of a financial hardship?

This indicator asks if the district had to ask for an easy payment plan to return monies to TEA after spending the overpayment from the Foundation

WITNESSETH:

NOW, THEREFORE, the Board and the Superintendent, for and in consideration of the terms hereinafter established and pursuant to Section 11.201 of the Texas Education Code, have agreed, and do hereby agree, as follows:

I. Term

1.1 Term. The Board, by and on behalf of the District, does hereby employ the Superintendent, and the Superintendent does hereby accept employment as Superintendent of Schools for the District for a term commencing on February 24, 2020, and ending on June 30, 2023. Beginning on July 1, 2020, and thereafter during the term of this Contract or any extension thereof, the Contract Year shall be from July 1st through the following June 30th. The District may, by action of the Board, and with the consent and approval of the Superintendent, extend the term of this Contract as permitted by state law.

1.2 No Tenure. The Board has not adopted any policy, rule, regulation, law, or practice providing for tenure. No right of tenure is created by this Contract. No property interest, express or implied, is created in continued employment beyond the Contract term.

II. Employment

2.1 Duties. The Superintendent is the chief executive of the District and shall faithfully perform the duties of the Superintendent of Schools for the District as prescribed in the job description and as may be lawfully assigned by the Board, and shall comply with all lawful Board directives, state and federal law, district policy, rules, and regulations as they exist or may hereafter be amended. Specifically, it shall be the duty of the Superintendent to recommend for employment all professional employees of the District subject to the Board's approval. It shall be the further duty of the Superintendent to employ all other personnel consistent with the Board's policies. It shall be the further duty of the Superintendent to direct, assign, reassign, and evaluate all of the employees of the District consistent with Board policies and federal and state law. It shall be the further duty of the Superintendent to organize, reorganize, and arrange the staff of the District, and to develop and establish administrative regulations, rules, and procedures which the Superintendent deems necessary for the efficient and effective operation of the District consistent with the Board's lawful directives, the Board's policies, and state and federal law. It shall be the further duty of the Superintendent to accept all resignations of employees of the District consistent with the Board's policies, except the Superintendent's resignation, which must be accepted by the Board. The Superintendent shall perform the duties of the Superintendent of Schools for the District with reasonable care, diligence, skill, and expertise.

2.2 Professional Certification. The Superintendent shall at all times during the term of this Contract, and any renewal or extension thereof, hold and maintain a valid certificate required of a superintendent by the State of Texas and issued by the State Board for Educator Certification and any other certificates required by law.

2.3 Reassignment. The Superintendent cannot be reassigned from the position of Superintendent to another position without the Superintendent's express written consent.

2.4 Board Meetings. The Superintendent shall attend, and shall be permitted to attend, all meetings of the Board, both public and closed, with the exception of those closed meetings devoted to the consideration of any action or lack of action on the Superintendent's Contract, or the Superintendent's evaluation, or for purposes of resolving conflicts between individual Board members, or when the Board is acting in its capacity as a tribunal. In the event of illness or Board-approved absence, the Superintendent's designee shall attend such meetings.

2.5 Criticisms, Complaints, and Suggestions. The Board, individually and collectively, shall refer all substantive criticisms, complaints, and suggestions called to the Board's attention to the Superintendent for study and appropriate action, and the Superintendent shall investigate such matters and inform the Board of the results of such efforts.

2.6 Indemnification. The District shall defend, hold harmless and indemnify the Superintendent regarding any claims, demands, suits, actions or other legal proceedings against the Superintendent for any act or failure to act involving the exercise of judgment and discretion within the normal course and scope of the Superintendent's duties as Superintendent of the District, to the extent and to the limit permitted by law. This paragraph does not apply if the Superintendent is found to have acted with gross negligence or with intent to violate a person's clearly established legal rights, or to have acted in bad faith or with conscious indifference or reckless disregard, or to criminal investigations or proceedings. Further, this paragraph does not apply if the District and the Superintendent are adverse to each other. The District may, at its sole discretion, fulfill its obligation under this paragraph by purchasing appropriate insurance coverage for the benefit of the Superintendent. No individual member of the Board shall be

personally liable for indemnifying or defending the Superintendent under this paragraph. The District's obligation to indemnify, defend and hold the Superintendent harmless under this paragraph survives the termination of this Contract.

2.7 Residence in the District. Beginning July 1, 2020, and continuously thereafter during the term of this Agreement and any extension thereof, the Superintendent shall maintain his primary legal residence within the geographic boundaries of the District.

III. Compensation

3.2 Salary Adjustments. At any time during the term of this Contract, the Board may, in its discretion, review and adjust the salary of the Superintendent, but in no event shall the Superintendent be paid less than the salary set forth pursuant to Section 3.1 of this Contract except by mutual agreement of the two parties. Such adjustments, if any, shall be made pursuant to a lawful Board resolution. In such event, the parties agree to provide their best efforts and reasonable cooperation to execute a new contract or addendum incorporating the adjusted salary.

3.3 Vacation, Holidays, Leave. The Superintendent may take, at the Superintendent's choice, subject to the Board's approval, the greater of ten (10) vacation days annually or the same number of days of vacation authorized by policies adopted by the Board for administrative employees on twelve-month contracts, the days to be in a single period or at different times. The vacation days taken by the Superintendent will be taken at such time or times as will least interfere with the performance of the Superintendent's duties as set forth in this Contract. The

Superintendent shall observe the same legal holidays as provided by Board policies for administrative employees on twelve-month contracts. The Superintendent is hereby granted the same personal leave benefits as authorized by Board policies for administrative employees on twelve-month contracts. Any unused vacation days that have accrued during the previous twelve (12) months ending on June 30, shall be carried forward by the Superintendent and will be taken at such time or times as will least interfere with the performance of the Superintendent's duties as set forth in this Contract.

3.4 Health Insurance. The District shall pay the same premiums for hospitalization, major medical and dental insurance coverage for the Superintendent pursuant to the group health care plan provided by the District for its administrative employees.

3.5 Professional Growth. The Superintendent shall devote the Superintendent's time, attention, and energy to the direction, administration, and supervision of the District. The Board, however, encourages the continued professional growth of the Superintendent through the Superintendent's active attendance and participation in appropriate professional meetings at the local, regional, state, and national levels. The Board shall encourage the use of data and information sources, and shall encourage the participation of the Superintendent in pertinent education seminars and courses offered by public or private institutions or by educational associations, as well as the participation in informational meetings with those individuals whose particular skills, expertise, or backgrounds would serve to improve the capacity of the Superintendent to perform the Superintendent's professional responsibilities for the District. In its encouragement of the Superintendent to grow professionally, the Board shall permit a reasonable amount of release time for the Superintendent, as the Superintendent and Board deem appropriate, to attend such seminars, courses, or meetings. The District shall pay the

Superintendent's membership dues to the American Association of School Administrators and the Texas Association of School Administrators, as well as other memberships necessary to maintain and improve the Superintendent's professional skills. The District shall bear the reasonable costs and expenses for such attendance or membership.

3.6 In-District Travel. The District shall provide the Superintendent with an automobile allowance in the sum of Seven Hundred Fifty and No/100 Dollars (\$750.00) per month.

3.7 Reimbursement for Out-of-District Travel. The District shall reimburse the Superintendent for out-of-District travel incurred by the Superintendent in the continuing performance of the Superintendent's duties under this Contract at the standard mileage rate per mile as established by the Internal Revenue Service during each year of this contract.

3.8 Information Technology/Communications Allowance. The District shall pay the Superintendent an amount of One Hundred Fifty and No/100 Dollars (\$150.00) per month during the Superintendent's employment with the District for an information technology/communications allowance to provide him with a portable cellular telephone and/or personal digital assistant (PDA) with nationwide coverage, computer, internet communication, or any other technical equipment for the Superintendent's use at his home for District business and personal use.

3.9 Personal Protection. Should the life or safety of the Superintendent or his family be threatened or appear to be in danger because of his performance of official duties, the District is authorized, by a subsequent vote of the Trustees, to pay reasonable costs for the instant protection of the Superintendent and his family. Such protection, if required, will be first sought from regular police authorities.

3.10 Civic and Community. The Superintendent is encouraged to participate in community and civic affairs and the Chamber of Commerce. The expense of such activities, subject to Board approval, shall be borne by the District.

3.11 Professional Legal Liability. The District shall obtain and pay premiums for a professional legal liability insurance policy through the Superintendent's membership with a professional organization.

3.12 Outside Consultant Activities. With the prior written approval of the Board and in accordance with the Texas Education Code, Section 11.201(e), the Superintendent may serve as a consultant to other school districts or educational agencies, lecture, engage in writing activities and speaking engagements, and engage in other activities that are of a short-term duration and that do not interfere with the performance of his duties as Superintendent. The Superintendent shall use personal leave for any such consulting activities, and any expenses for such consulting activities shall not be paid or reimbursed by the District unless approved by the Board.

3.13 Annual Executive Physical Examination. The Superintendent shall undergo an annual executive physical examination performed by the Superintendent's primary care physician, or other physician selected by the Superintendent and approved by the Board President, such approval not to be unreasonably withheld. The physician shall submit a confidential statement to the Board President verifying the Superintendent's fitness to perform the essential functions of his job, and copies of all such statements shall be confidential to the extent permitted by law. The District shall pay the reasonable costs of each annual executive physical examination. The examination shall be performed on or before January 31, of each year of this Contract.

IV. Annual Performance Goals

4.1 Development of Goals. The Superintendent shall submit to the Board each year, for the Board's consideration and adoption, a preliminary list of goals for the District. The goals approved by the Board shall at all times be reduced to writing and shall be among the criteria on which the Superintendent's performance is reviewed and evaluated.

V. Review of Performance

5.1 Time and Basis of Evaluation. The Board shall evaluate and assess in writing the performance of the Superintendent in January of each year during the term of this Contract ("Superintendent's Evaluation"). The Superintendent's evaluation instrument and process shall be developed and/or revised with input from the Superintendent and shall be reasonably related to the duties of the Superintendent as outlined in the Superintendent's job description.

5.2 Confidentiality. Unless the Superintendent and the Board expressly agree otherwise in writing, the evaluation of the Superintendent shall at all times be conducted in executive session and shall be considered confidential to the extent permitted by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the Superintendent's evaluation with their respective legal counsel.

5.3 Evaluation Format and Procedures. The evaluation format and procedure shall be in accordance with the evaluation instrument selected by the Board in accordance with the provisions of Article V of this Contract, the Board's policies, and state and federal law. In the event the Board deems that the evaluation instrument, format and/or procedure is to be modified by the Board, such modification must be adopted at least 12 months prior to its implementation.

VI. Renewal or Nonrenewal of Employment Contract

6.1 Renewal/Nonrenewal. Renewal or nonrenewal shall be in accordance with Board policy and applicable law.

VII. Termination of Employment Contract

7.1 Mutual Agreement. This Contract shall be terminated by the mutual agreement of the Superintendent and the Board in writing, upon such terms and conditions as may be mutually agreed upon.

7.2 Retirement or Death. This Contract shall be terminated upon the retirement or death of the Superintendent.

7.3 Dismissal for Good Cause. The Board may dismiss the Superintendent during the term of the Contract for good cause. The term "good cause" is defined as follows:

- (a) Failure to fulfill duties or responsibilities as set forth under the terms and conditions of this Contract;
- (b) Incompetence or inefficiency in the performance of required or assigned duties as documented by evaluations, supplemental memoranda, or other written communication from the Board; provided, however, the terms and conditions of this paragraph shall not justify good cause unless the Board has provided the Superintendent a reasonable opportunity to remediate any incompetency or inefficiency;
- (c) Insubordination or failure to comply with lawful written Board directives;
- (d) Failure to comply with the Board's policies or the District's administrative regulations;
- (e) Neglect of duties;

- (k) Disability, not otherwise protected by law, that impairs performance of the required duties of the Superintendent;
- (l) Immorality, which is conduct the Board determines is not in conformity with the accepted moral standards of the community encompassed by the District. Immorality is not confined to sexual matters, but includes conduct inconsistent with rectitude or indicative of corruption, indecency, or depravity;
- (m) Assault on an employee or student;
- (n) Knowingly falsifying records or documents related to the District's activities;
- (o) Conscious misrepresentation of facts to the Board or other District officials in the conduct of the District's business;
- (p) Failure to fulfill requirements for superintendent certification;
- (q) Failure to fulfill the requirements of a deficiency plan under an Emergency Permit; or
- (r) Any other reason constituting "good cause" under Texas law.

7.4 Termination Procedure. In the event that the Board terminates this Contract for "good cause," the Superintendent shall be afforded all the rights as set forth in the Board's policies, and state and federal law.

VIII. Miscellaneous

8.1 Controlling Law. This Contract shall be governed by the laws of the State of Texas and shall be performable in Bell County, Texas, unless otherwise provided by law.

8.2 Complete Agreement. This Contract embodies the entire agreement between the parties hereto and cannot be varied except by written agreement of the undersigned parties, except as expressly provided herein.

8.3 Conflicts. In the event of any conflict between the terms, conditions, and provisions of this Employment Contract and the provisions of the Board's policies, or any permissive state or federal law, then, unless otherwise prohibited by law, the terms of this Contract shall take precedence over the contrary provisions of the Board's policies or any such permissive law during the term of the Contract.

8.4 Savings Clause. In the event any one or more of the provisions contained in this Contract shall, for any reason, be held to be invalid, illegal, or unenforceable, such invalidity, illegality, or unenforceability shall not affect any other provision thereof, and this Contract shall be construed as if such invalid, illegal, or unenforceable provision had never been contained herein. All existing agreements and contracts, both verbal and written, between the parties hereto regarding the employment of the Superintendent have been superseded by this Contract, and this Contract constitutes the entire agreement between the parties unless amended pursuant to the terms of this Contract.

8.5 Acceptance. This offer will expire unless signed and returned to the Board or its authorized representative by 5:00 p.m., the 24th day of February, 2020.
