- 1 Professional Dress Outfit*

At BNTH@W, students frequently give presentations in which they are required to dress professionally. Please make sure that your child will be able to meet this expectation. Professional dress is defined as clothes that one might wear for a job interview. Examples are slacks, khaki pants, collared or button down shirt, or a dress/skirt.

At this point in their educational career, students are expected to take notes in class. Therefore, the student should have the materials needed to write down information and organize it in a manner that they can locate their work later.

Classroom teachers may require other supplies during the first week of school.

Technology: User fee of \$20 is required on the first day of school for students attending all Belton ISD middle schools** / May also be paid online at <https://bisd.revtrak.net/tek9.asp?pg=default>
