Local Disaster Declaration for Public Health Emergency

COVID19

Directive #1

18 March 2020

Summary: A Declaration of Local State of Disaster due to Public Health Emergency associated with COVID19 has been issued by Bell County Judge David Blackburn. In accordance with the Declaration, this Directive #1 is being issued.

The virus that causes the 2019 Coronavirus disease (COVID19) is easily transmitted through person to person contact, especially in group settings, and it is essential that the spread of the virus be slowed to protect the ability of public and private health care providers to handle the influx of new patients and safeguard public health and safety. Because of the risk that health care authorities have identified due to the rapid spread of the virus, and the need to protect the most vulnerable members of the community, this Directive #1 prohibits gatherings of persons of more than 50 persons anywhere in the County, under the specified terms and conditions set forth below, beginning at midnight tonight, March 18, 2020 and continuing until such time as a future Directive removes such prohibition.

For all gatherings and locations not included within this Directive, the Office of the County Judge and the Bell County Public Health District strongly recommends and urges actively practicing social distancing whenever and wherever possible. Additionally, the Office of the County Judge and Bell County Public Health District strongly urges individuals of high risk, those over 65 and with underlying health conditions, to cancel, reschedule or not attend events or gatherings that will have or will likely have 10 or more people.

 3. An 'outdoor gathering' is limited to events in confined outdoor spaces, which means an outdoor space that (i) is enclosed by a fence, physical barrier, or other structure and (ii) where people are present and they are within six (6) feet of one another for extended periods.
 4. For purposes of clarity, a 'gathering' does not include the following, or other similar uses, so long as social distancing is being practiced:
