## **IMPORTANT INFORMATION AND REMINDERS - PLEASE READ CAREFULLY**

### **NO SPRAY PAINT, NO GLITTER, NO CLEAR COATS ALLOWED**

**Students with a driver's license:** To be eligible to paint a reserved parking space, you must FIRST purchase a BHS parking lot permit sticker for the main student lot from BHS for \$20.00. A valid driver's license is required. The privilege of a painted reserved parking space requires an additional fee of \$60.00 paid to the BHS PTSO.

**Students without a driver's license:** Students who do not have their driver's license but will be getting a license during the school year are eligible to purchase and paint a reserved parking space. You must reserve and paint during the designated times. You must FIRST pay PTSO the \$60 fee to reserve and paint your space in August. You will then pay BHS the \$20 school parking fee when you have a valid driver's license. You will receive your official parking sticker at that time and can begin parking in your reserved space. You are not allowed to park in your reserved space until you have a valid driver's license and a parking permit.

**Reserved parking payment and space selection:** Reserved parking is limited to 257 spaces and will be sold on a first-come, first-served basis during the times listed below for each classification. Students may not reserve a parking space without payment first.

**Seniors** will be able to purchase a space on August 7, 2024, 7:30 am - 10:30 am.

## BHS Reserved Parking Guidelines

**Juniors** will be able to purchase a space on August 7, 2024, 12:00 pm - 3:00 pm.

**Sophomores** will be able to purchase a space on August 7, 2024, 3:00 pm - 4:30 pm.

You will need to complete the online application and attach a copy of your design. Keep a copy of your design for your records. You will be informed if your design is not approved at the time of payment. You will not be allowed to paint a space without PRIOR approval of your design. All design sketches must be colored in the colors you wish to paint your space in order to be approved.

**Guidelines for your design:** Parking spaces are sold “as is”. Think of your space as a t-shirt that you would wear to school. Your spot must meet dress code approval. Keep it classy! Any design associated with gangs, advertising drugs, alcohol, violence, obscene slogans or symbols, handicap symbols, or symbols that may cause confusion or promote illegal activities will not be allowed or approved. You may include your name, jersey number, the instrument you play, your hobby, famous quotes or slogans, and anything unique to you so long as it meets with the administration’s approval. All designs must be colored on your design form to be approved.

**If it is determined at any time throughout the school year that your design does not meet these qualifications, the school will paint over your spot in black paint.**

You may NOT paint outside of the designated paint space within each parking spot (5’x7’).

You must paint within the designated times. You are **NOT** allowed to come before/after paint times nor on unauthorized days.

**Paint Requirements:** You will be responsible for providing all paint and paint supplies (brushes, rollers, tape, pans, etc.). **NO SPRAY PAINT, NO GLITTER, NO CLEAR COATS ALLOWED.** The use of any unauthorized paint will result in forfeiture of your space and a \$50.00 fee for cleaning. You are only allowed to paint within the marked spot. If any paint is spilled or is outside of the marked spot, it will result in a fine of \$50.00.

**What to Bring:** Be sure to bring your approved colored design/sketches with you on paint day. Also, you will be responsible for all paint (exterior semi-gloss paint for best results), paint brushes, rollers, paint pans, and paint tape. You will want to bring lawn chairs for your family, a canopy/umbrella, sunscreen, ice chests, stencils, rags for cleaning, sacks and trash bags to transport your unused paint, a drop cloth, and paint clothes. **Do not bring any kind of paint sprayers, glitter, or clear coats.** PTSO will not provide trash bags. **Please plan on taking all trash and unused paint with you when you leave.** There will not be any available trash cans available for your paint and paint supplies. To aid in the painting process, you can bring items such as chalk, ruler, broom, dustpan, and/or leaf blower (to aid in quicker drying time).

**These will be the ONLY dates that painting will be permitted and only during the designated times.**

If you cannot be there, you may send a family member or friend to paint for you. All paintings must be completed by the end of the session. An alternate day will be announced ONLY in case of rain.
