

The Texas Department of Public Safety is once again requiring VOE's for driving permits and driver's license for students. Students who need a VOE for either their drivers permit or driver's license will need to sign up through the link listed below. VOE requests will be done within 24 hours of the request and can be picked up in the Counseling Center at BHS. VOE's cannot be emailed as DPS requires an original signature and stamp from the school. Sign up by clicking the link: <https://forms.gle/oKAiMW94KDo8u4uE6>
